--	--

Despite another challenging year of higher prices that we all have experience, the Board of Commissioners, Controller, Township Manager and our Department Heads have worked to produce a financially strong budget that retains all of our residential services **AT NO TAX INCREASE AND NO INCREASE IN SEWER OR RUBBISH SERVICE CHARGES FOR THE 2025 BUDGET YEAR.**

Many of our residents have been affected by the financial markets, inflation and rising food prices. The Board of Commissioners understands the financial difficulties that many of our residents are facing, and although the Township is not immune to these rising costs, the Commissioners are dedicated to continue providing Township services with **no** additional financial impact to our residents.

Additionally, the County Authorities for solid waste have raised their fees for 2025 by 5%. The increase for solid waste increased from \$87.00 per ton to \$90.50 per ton. This increase goes directly to the Delaware County Solid Waste Authority. In addition, the Sewer Authority increased their fees by 4.0%. This passed through cost to the Township is an example of the many non-funded costs imposed by the County and State that our Township must absorb.

The total proposed General Fund Budget for 2025 is \$27,965,177.00. The budget includes replacing equipment/vehicles for the Public Works and Police Departments. The Township is also looking to secure a Recreation and a Recycling grant for 2025. This budget will allow us to continue to provide the same high quality of municipal services that our residents have come to expect.

Service charges include fees that are charged to the Township from the County Authorities to process solid waste and sewage waste. Despite the increases from these Authorities, our service charges will remain the same for 2024 at \$255.00 for trash removal and \$390.00 for sewer charges. The Board of Commissioners have made the decision that the increases imposed by these Authorities will not be passed on to the residents in 2025.

Our Senior Citizen Rebate Program will continue in 2025 with refunds of \$125 for sewer charges and \$75 for rubbish charges. The total rebate of \$200 is available for all eligible senior citizens who qualify under the Pennsylvania Property Tax Rebate program. The Township has issued over \$40,000 to eligible seniors so far this year.
